

Ride for the Foundation

FUNdraiser

TIME TO GEAR UP!

Looking for adventure? Get out on the highway! At the close of conference, Steve Grandon and his HOG will ride from Cleveland to next year's conference site in Denver. Why? To raise funds for the Right of Way International Education Foundation. RWIEF provides funding for new courses and updates, scholarships, and other education initiatives. Have fun making one (or more) mileage guesses in this unique contest and just maybe you'll win \$1,000 cash! Come see the HOG at RWIEF's exhibit hall booth during the Cleveland conference.

CONTEST RULES

Guess the total number of highway miles from the Hilton Cleveland to the Hyatt Regency Denver.

Winner is whomever gets closest to the actual odometer mileage (above or below).

Use MapQuest. Use rods and chains. Use a yardstick. It doesn't matter - the odometer has final say!

Contest starts June 5th at the Cleveland conference.

To enter your mileage guess, go to www.rwief.org or www.libertycore.com and click on the motorcycle.

\$5 per guess. You can guess multiple times (5 guesses=\$25, etc.).

100% of proceeds go to RWIEF for right of way education.

Winner receives \$1,000 cash prize, provided by Liberty Core Consultants.

Contest ends & winner announced August 10th via post at www.RWIEF.org and www.LibertyCore.com.

You do **NOT** have to be an IRWA member to participate.

Thanks to Liberty Core Consultants who graciously sponsors the FUNdraiser ride and cash prize!
